

Operation Clean Sweep

CAMPERS: The Mid-America Council is asking for your help! Spring is around the corner which means, mowing begins! The Council would like your help in keeping the grounds clear of trash, sticks, rock, and anything else that can't be mowed over. Mowing over these objects damages equipment, which means repairs are needed and coincidentally, money is too. The upkeep of each camp is very important and the Council is dedicated to providing you with the best possible facilities.

**PLEASE HELP US BY KEEPING THE
GROUNDS PICKED UP FOR THE MOWERS!**
