

Aviation Merit Badge Forms **Required for Camp Cedars**

The adult leaders in charge of the group (I.E. the leaders attending camp with the boys) must fill in their information and sign. The committee chair (or designated representative) must also sign this form. You do not need to print page two (the Area Director for Aviation already has completed copies of page 2 to attach to your page 1).

Fill out form completely. Both the boy and his parent/guardian must sign this form. If a parent is unavailable to sign, they may sign the form and fax a copy to the camp office (402-628-2030). All consent forms for boys in a given unit should be attached to the permit application for that unit.
