

# Camper Discounts and Camp Cards Process

---

The online registration can apply discounts and Camp Card sales preventing families from pre-paying for camp and later receiving a refund. Please select the discount(s) that applies to each specific Scout. Any selected discounts will be in pending status until verified and confirmed by the Mid-America Council. **With the exception of the camp cards incentive, the total amount of discounts cannot exceed \$200.**

- **Camp Cards** – Select and enter \$300 if the Scout is working towards free summer camp incentive through Camp Card sales. (This requires additional paperwork to be submitted to the Mid-America Council and cannot be combined with any other discounts.)
- **Multi-Week Discount** - Select and enter \$50 if this is the Scout's second or more week at Camp Cedars or Tri-State High Adventure Base in 2017. (does not apply to the Scout's first week of camp)
- **MAC High Adventure Contingent Discount** - Select and enter \$100 if this Scout is also attending the National Scout Jamboree or a National High Adventure Base with a Mid-America Council contingent in 2017.
- **Sibling Discount** - Select and enter \$25 if this Scout also has a sibling attending a week at Camp Cedars in 2017. (can be applied to both siblings)
- **OA Service Corps** - Select and enter \$100 if this Scout will be attending Camp Cedars and participating in the OA Service Corps program each morning. The discount will be contingent on being accepted into the limited program with the recommendation of their Chapter Adviser, Lodge Adviser, and Camp Director.

In the online registration click the Attendee tab, select the Scout's name to extend the options, and scroll down to the discount options. Check the discount(s) that apply and enter the amount(s).
