

PERMISSION A FOR SCOUT TO LEAVE CAMP

Normally the custodial parent(s) or guardian(s) accompanies scouts who leave camp prior to their unit's departure. If the Scout is to leave camp with someone other than his custodial parent(s) or guardian(s), this completed form is to be used to handle these exceptional cases.

This form should be filled out by the custodial parent(s) or guardian(s) and signed by the Scoutmaster prior to the unit's arrival at camp. In the event of an emergency, it may not be possible for the necessary written approval. In this event, the Scoutmaster must secure via telephone, permission of said parent(s), guardian(s) or their designees, before the Scout may be released.
