

In addition to the program offered throughout the summer at Camp Cedars ...

July 8 - 14 & July 15-21

TRADES

program
2018

Merit Badges Offering:

Welding MB

Learn welding practices, techniques, and applications in the work force from a professional welder.

Metalwork MB

Scouts learn about the properties of metal, how to use simple metalworking tools, and the basic metalworking techniques.

Electricity MB

Electricity is a powerful and fascinating force of nature. As early as 600 B.C., observers of the physical world suspected that electricity existed but did not have a name for it.

Truck Transportation

Trucking is a large and important industry. Without trucks, our economy would not work efficiently.

American Labor MB

The labor movement in America seeks to ensure that the civil rights of laborers are protected in the workplace, especially in regard to wages, hours, and working conditions.

Woodwork MB

As a woodworker or carpenter, you will find no end of useful, valuable, and fun items you can make yourself, from wood.

Surveying MB

Scouts will discover how land is measured and have a chance to use some fine measuring instruments, apply advanced mathematics, and create a survey map.

Plumbing MB

The industry covers installations and repairs in homes, commercial properties, and factories.
